## PROFESSIONAL EXPERIENCE

### Phoenix Online Studios

February 2011—present

#### 3D Animation Lead

- Keyframe animation, as well as motion capture cleanup, which fall in line with the art direction and physical principals of *The Silver Lining* episodes
- After building the necessary scene files, distribute the assignments to animators and support their work through critique and collaboration to ensure consistency of the art direction

#### 3D Animator

September 2010—February 2011

- Character animations for Episode 3 of *The Silver Lining*
- Worked as part of an online team providing technical and creative input when requested

### A Better Image Printing

July 2006—present

#### Graphic Designer

Chapel Hill, NC

- Original art creation for clients, including logos, letterheads, brochures, and additional marketing materials
- Preflight clients files for press and digital output
- Clients include Duke University Women's Basketball, University of North Carolina-Chapel Hill, Granville Towers, Chapel Hill/Carrboro Chamber of Commerce, The Robertson Scholars program, among others.
